14 day health guarantee against contagious or communicable diseases.

For the protection of both parties, the puppy must be examined by a licensed veterinarian within 14 days of taking ownership. If this puppy is found to have a life-threatening disease, a congenital defect, or any major health problem at that time (1) The breeder will replace the puppy with another puppy of equal value (when available) providing the breeder is notified within 24 hours of vet exam and providing a signed letter from the vet. This puppy must be returned to the breeder with the AKC registration papers and the signed letter from the licensed veterinarian within 1 day after the vet visit. (2) The breeder will refund the full purchase price upon the return of the puppy, or (3) The breeder will pay for veterinary expenses involved with restoring the puppy to full health, if the purchaser chooses to keep the puppy. The breeder reserves the right to have the puppy treated by a veterinarian of his choice. The breeder reserves the right to a second vet opinion at his own expense. Reimbursement for the vet expenses is not to exceed the purchase price of the puppy. The choice between replacement, refund, or veterinary expenses is the option of the purchaser. The breeder must be notified of the purchaser choice within 14 days of the delivery time. We, the breeder, are not responsible for any shipping cost.

1 Year guarantee against life threatening congenital defects

Your puppy is guaranteed for 1 year from date of birth against life threatening congenital defects. If within that time a life-threatening congenital defect, (not to include any communicable diseases, diseases caused by environmental factors, heartworm, or nutrition related disease.) is attested by two non-associated licensed veterinarians and the reason congenital, the breeder will replace the puppy with another puppy of the same breed, quality and price when available. No cash refunds will be given. We, the breeder, will not be responsible for any veterinarian bills acquired by the purchaser. We will not be responsible for any illness or health problems, which are diagnosed after this time. We, the breeder, are not responsible for any veterinarian bills or shipping costs.

26 month guarantee on hip dysplasia

This puppy is guaranteed against severe, crippling hip dysplasia until it is 26 months old as long as the following requirements and conditions are met.

1. The dog must be x-rayed by a competent veterinarian and be evaluated OFA after 12 months.
2. OFA shall be the sole judge regarding the hips. Hips must be rejected by OFA. Breeder reserves the right to have hips re-x-rayed by vet of this choice.
3. If the dog has sired or whelped a litter, this warranty is void.
4. The dog must be in original owner's name. This warranty is nontransferable.
5. This warranty only covers hereditary defects on hips. It does not cover any physical injuries, neglect, or abuse that may have caused or attributed to the diagnosed severe, crippling hip dysplasia. If a physical injury or injuries accrued, this warranty is void.

Any dog that is found to have severe, crippling hip dysplasia and has followed the guidelines stated above, will be given a replacement puppy of comparable breeding and price, when available. If purchaser chooses not to return the dog, they will receive a refund of ½ the purchase price of the puppy. Purchaser will need to sign over the AKC papers of the dog to the breeder and send proof of spayed or neutered to breeder. We, the breeder, are not responsible for any shipping cost. Breeder makes NO guarantees or MONETARY REFUND expressed or implied, under this contract except as stated above.
